ACTUARIAL SOCIETY OF SOUTH AFRICA
Advancing Actuarial Excellence

Congratulations to all our new Associate qualifiers

The Actuarial Society of South Africa congratulates the following on being admitted as Associate members.

Completing the challenging academic exams as well as the work-based learning and Core Normative Skill requirements towards the Associate designation is a significant achievement and you have now earned the right to the title of Actuary.

We look forward to sharing and witnessing your further professional and career advancement in the actuarial profession through active participation as qualified actuaries and members of ASSA.

All of the best!
